

SIGN-UP TO BE A CENSUS ACTION KIOSK (CAK) SITE TODAY!

The 2020 Census questionnaire will be offered in a digital format. LA County residents who are considered part of a Hard-to-Survey (HTS) population or reside in HTS areas may not have access to the internet or electronic devices such as computers or tablets. Consider hosting a CAK, a space with an electronic device and internet access where the public can fill out the 2020 Census.

Go to the link below to register your facility!
